A visit to Barracca Gardens will provide a breathtaking panorama of the Grand Harbour and a view of the Three Cities. There are plenty of shops available in Valletta and delegates may opt to stay shopping in the city after the tour.

Lunch and entrance to St. John's Co-cathedral or the Palace Armoury are optional and against payment.

## Optional Events

**Thursday 11th October, 2012 (18:00)**

### ***Vittoriosa Tour & Dinner at a typical Maltese Wine Bar.***

On arriving at Vittoriosa, or Birgu as it is locally known, we will personally take you through the streets and point out some of the important landmarks of this oldest Maritime city in Malta. This was first city where the Knights of St. John settled in on arrival in 1540 and the very place where Grand Master La Vallette bravely defended the island against all odds and fought in hand combat with the Turks who breached the Castille Bastion of Birgu during the Great Siege of 1565.

We will also visit the Vittoriosa Water Front and walk up to Fort St. Angelo with its yacht marina and quaint coffee shops.

We will then go to chill out and spend the evening in a typical Maltese Wine Bar – the Del Borgo. This used to be the stables of a Palazzo in the city of Vittoriosa. The place is small but a very popular venue for those who appreciate good wine. At Del Borgo we will eat some typical Maltese platters and wine in the ambience of old times.

**NOT TO BE MISSED!**

**Early Bird Price (till 1st September, 2009):**
